PARKING RULES – READ CAREFULLY BEFORE SIGNING

Student parking at CCHS is very limited. Double parking is not allowed. Emergency vehicles must have full access to facilities. Parking is designated. Student parking is not a right, but a limited privilege. Therefore, only students who have been issued a parking permit will be allowed to park in designated parking spaces. Below is a list of rules and consequences for parking:

1. Your parking decal must hang on the rear view mirror with decal information facing the front of the vehicle.
2. You cannot remain in your vehicle once you park. You are not allowed to arrive at school early and sit in your car to wait for friends. You must leave campus immediately following the dismissal bell.
3. You must observe and practice safe driving rules. Parking areas are dangerously congested,
4. Accidents occurring in school parking areas are not the responsibility of CCHS to report. That responsibility belongs to the driver(s) involved.
5. Students who drive non-permitted vehicles or repeatedly fail to follow parking and safety rules will be subject to:
 - Disciplinary action
 - The vehicle being towed at owner's expense
 - Banned from using the student parking area
 - Parking violation stickers will be placed on cars not in their proper parking spaces (or for other parking violations). The student will be responsible for removal of the sticker.
 - If driving privileges are revoked the student must return the decal back to the office.
 - There are no refunds on parking spaces.
6. Following simple parking rules will aide in a safer parking situation for all CCHS students.
7. If you are absent from school, you are not allowed to wait on, or pick up friends or siblings in the student parking area. Use the car rider line if necessary.
8. Appearing in the parking lot without proper authorization will be perceived as a violation of trespass laws.
9. Any vehicle brought on CCHS campus is subject to search by administration (or designee).
10. **DO NOT LITTER!!!** Anyone caught littering in the parking lot will be subject to immediate disciplinary action.
11. Students may not change car decal numbers with another student, or change to a different vehicle. The number you are assigned is the parking spot you need to park in. If you change vehicles a new form with proper documentation must be filed in the office. There will be random parking checks, if the information on file does not match the vehicle in the parking spot, the vehicle will be towed at the owners expense.

Strict adherence to the parking rules to your assigned parking space is a necessity!!!

NOTE: DISCIPLINARY ACTIONS INCLUDE ALL OPTIONS LISTED IN THE CODE OF STUDENT CONDUCT
