

CLEBURNE COUNTY SCHOOL

Clebune County Summer School

Located at Cleburne County Career Technical School

Summer School 2022

For Ranburne and Cleburne County High School students only

There will be two terms for summer school:

Term 1 Classes begin June 6 and end June 16.

Term 2 Classes begin July 11 and end July 21.

Classes will begin at 7:00 a.m. and end at 11:00 a.m. each day (Monday - Thursday)
Classes are planned for Grades 8-11 for the following classes - English/ELA, Social Studies, Science, and Mathematics. Students will be allowed to receive credit for no more than two courses. Students must have made a 40 average and above in class to be able to participate in Summer School.

These classes are considered credit recovery and will not count toward NCAA scholarship opportunities. If you plan on participating in NCAA collegiate athletics, please speak with your counselor about which type of classes you must take to be eligible. A student athlete wishing to participate in the NCAA clearinghouse will need to complete the full course and not participate in credit recovery.

Students are expected to complete the assigned program of study within four weeks. Should an extension be needed, adjustments may be made at the discretion of the administrator.

The Cleburne County Student Code of Conduct rules and regulations will apply to all students attending summer school with the following exceptions:

- There will be a **NO TOLERANCE DISCIPLINE POLICY** (one discipline referral will result in removal of the student from classes and no refunds will be given).
- **NO LOITERING- ONCE STUDENTS LEAVE THE BUILDING THEY MUST LEAVE THE PARKING LOT.**
- **Should students have more than 1 absence, credit will not be extended.**

The student will receive a grade of no more than 70 upon satisfactory completion of the course. The grade received for credit recovery will not replace the grade earned in the classroom. Both the original grade and the credit recovery grade will appear on the student's transcripts. Cleburne County's grading formula can be found in the Student Handbook.

Student Name _____ Grade _____

Student ID#(S123456) _____ Date of Birth _____

Class/Classes needed

_____ Current avg.: _____

_____ Current avg.: _____

Parent Signature _____
