### **Drama Club**

If you like to sing, dance, act, draw, or perform, join Drama Club! We need all creative types to help put together shows, skits, and more! The Drama Club is newly formed and has lots of different committees to help with costumes, hair and makeup, marketing and design, backstage, props, acting, and more! We are currently putting together our first production: Footloose! We are also putting on a talent show that drama club members are free to participate in as long as they have paid their fees (\$5). We would love to have anyone willing to lend a helping hand to our projects and performances!

### **Student Government Association**

The Student Government Association (SGA) is designed to foster leadership skills, encourage school spirit, and teach democratic principles among students. As a student-run organization that represents the entire student body, SGA allows students to express concerns and take a stand on important issues. Each year, there is a school wide election and the students in each class vote on candidates to represent their class.

### **Cleburne County High School Ambassadors**

Student Ambassadors are a group of students dedicated to the positive promotion of Cleburne County High School. They will work on a volunteer basis to serve as liaisons between the community and student body. The ambassadors are visible at campus events, as well as many off campus events in our community. These students have a unique opportunity to develop and receive training in communication, public relations, marketing, and interpersonal skills. Students may apply for a position in this leadership group at the end of 10th grade and 11th grade academic years. They are chosen based on interview, application, and references by a committee of teachers and staff.

## **The Cleburne County High School Band Program**

The Cleburne County High School Band program consists of the Marching Tiger Band, Concert Band, Intermediate Band, Beginning Bands, Percussion Ensemble and the CCHS Jazz Band. Students also have the opportunity to audition and perform in several honor groups and solo & ensemble performances each year.

Membership in band is open to students who have successfully demonstrated their proficiency level in the spring of the preceding year. Members of the band participate in both the Marching Tiger Band and the Concert Band during first and second semester respectively.

In addition, successful completion of one year in the band program satisfies the Arts requirement for graduation and entitles the student to receive the PE Credit exemption.

The CCHS Marching Tiger Band proudly performs at all home and away football games, community events, parades, and out of state trips. The band also participates in multiple competitions during the fall season. Marching Band begins in late July with a two week Band Camp. Once school is in session, rehearsals are held daily during the marching season from 3:00-5:00. Members of the marching band must be proficient on their instrument and demonstrate the drive and determination necessary to be in a group constantly striving for improvement.

The Cleburne County Concert Band is the highest level band at the High School performing advanced instrumental literature. Membership in the Concert Band is limited to students who participate in marching season. Students in Concert Band participate in two concerts during the year. Concert Band members are encouraged to perform at AMEA Adjudicated events, such as Solo and Ensemble, and have often received "Superior" ratings. Concerts are scheduled for December and March each year.

Students also have the option of participating in the CCHS Jazz Ensemble. Jazz Ensemble meets 2-3 times per week. Membership in Jazz Ensemble is open, by audition or recommendation of the director, to musicians on the following instruments: trumpet, saxophone, trombone, guitar, bass, percussion and keyboard. Enrollment is limited by instrumentation. Music literature studied and performed includes jazz, rock, swing, pop, ballads, and fusion.

Intermediate Band is typically for 7th grade students only. Membership in this group is based upon completion of the beginning band class the previous year. The Intermediate Band participates in two concerts during the year. Concerts are scheduled for December and March each year.

The Cleburne County Bands currently offer Beginning Band throughout the feeder schools beginning in 6th grade. Students are introduced to reading music and performing on an instrument. All Beginning Band students are required to provide their own instrument and materials to participate in the beginning groups.
