

Ranburne Elementary School

Ranburne Elementary School

Vision

To determine, develop, and enhance an educational program to ensure each student reaches his or her fullest potential

Mission

To strive to create an environment of order and respect where enthusiastic teaching and learning takes place

Beliefs

1. All students are capable of learning.
2. Students' success depends on the unified efforts of educators, students, parents, and the community.
3. All students need to receive a fair and equitable education.
4. Parental involvement is key to student success.

Learning Experience

Objectives

- Increase parental involvement

Critical Initiatives

- Invest in curriculum materials to help parents support the education process at home

Key Measures

- Parental Feedback
- Classroom Observations

Enhancing Learning

Objectives

- Increase the number of students scoring proficient in reading by the end of the 2019-20 school year
- Increase the number of students scoring proficient in math by the end of the 2019-20 school year

Critical Initiatives

- Provide Tier II and Tier III instruction to enhance knowledge of struggling readers
- Provide Tier II and Tier III instruction to enhance knowledge of struggling math students

Key Measures

- Teacher Evaluations
- Student Performance

Bridging The Gap

Objectives

- Provide our students, employees, and community with a safe, secure, and vibrant learning environment
- Provide students with technology resources to enhance the learning experience

Critical Initiatives

- Provide professional development for differentiated learning
- Provide each student in grade 2-4 their own computer to use while at school

Key Measures

- Teacher Evaluations
- Classroom Observation
